

Everything You Need To Know about Land Development, Construction and the Permit Process.

Come to the Planning & Land Services (PALS) monthly workshop.

Get information on a variety of subjects including:

Applying for a building permit

What is a site plan and how to get one

Do you need a permit to remove trees from your property

Dividing property into multiple parcels

The wetland review process

Much, much more

When: First Tuesday of every month

Noon - 2:00 PM (brown bag)

Where: Pierce County Public Services Building

2401 South 35th Street, Meeting Room A

Tacoma, WA 98409
