

# ***NOTICE***

The Pierce County Fire Prevention Bureau is a division of the Department of Emergency Management. As part of Emergency Management our staff must be available and prepared to work the Emergency Operations Center (EOC) on a moment's notice. To that end, FPB staff must be scheduled for on-going Emergency Operations training. This training is a critical element for our staff to meet the challenges of county-wide emergencies. Below is the schedule for training. There will be no one available for counter coverage during these time frames.

<b>EOC TRAINING</b>					
<b>Mondays from 9:15 to 11:45am on the following dates</b>					
<b>June 16</b>	<b>June 23</b>	<b>June 30</b>	<b>July 7</b>	<b>July 14</b>	<b>July 21</b>
<b>July 28</b>	<b>August 4</b>	<b>August 11</b>	<b>August 18</b>	<b>August 25</b>	<b>September 8</b>
<b>September 15</b>	<b>September 22</b>	<b>September 29</b>	<b>October 6</b>	Note: additional training may be scheduled into October	

We apologize for any inconvenience. Your understanding and patience is appreciated.
