

## Accessible Employee Parking Information

Accessible employee parking is provided on a case-by-case basis and will depend on the following:

- Medical necessity
- Availability of parking
- Does the request impose an undue hardship on the County's business?
- Is the employee provided parking with his/her job?
  - Parking lot fees/rates may be waived if the employee is provided a paid parking spot for his/her job and it is determined that the employee will be provided accessible parking. The employee will be responsible for paying any required parking lot fees/rates if the employee is not provided a paid parking spot for his/her job and it is determined that the employee will be provided accessible parking. Typically, monthly parking lot fees/rates are available.
- Does the employee have a current disabled parking placard issued by the Washington State Department of Licensing (DOL)?
