- Direct the processing of key personnel documents and payroll time records for County personnel; analyze computer reporting and verify accuracy of data and program effects; edit computer reports until final computer run is authorized.
- Coordinate payroll processing for division ensuring compliance and compatibility with County code, budget authorization, and payroll system; prepare procedural documentation for internal and external payroll processing.
- Monitor the preparation of financial reports; prepare financial analysis of expenditures, operations, and related areas; conduct close-out procedures at termination of contracts.
- Perform and maintain a variety of financial transactions and records associated with the receipt and disbursement of funds.
- Direct and participate in the workflow of the office to meet deadlines; ensure compliance with established policies and procedures; review and approve financial and statistical reports developed within the unit; assign work to other support staff.
- Review operating budgets periodically to analyze trends affecting budget needs. Review expenditures to ensure compliance with budget plan.
- Oversee the accounting of and compliance with budget, billing, and fiscal regulations of state and federal grants; work with subcontractors to ensure compliance with laws and regulations, formulation of budget billing and fiscal procedures and accounting for grant appropriations.
- Use software systems to analyze data and complete appropriate tasks.
- May provide guidance for other office employees.
- Maintain regular, predictable and punctual attendance during regularly scheduled work hours at assigned worksite.
- Meet travel requirements of the position.
- Perform the physical requirements of the position; work within the established working conditions of the position.
- Work a flexible schedule, which may include evenings, weekends, holidays and overtime.

OTHER JOB FUNCTIONS:

ACCOUNTING ASSISTANT 3-MAINTENANCE

Classification Description – Pierce County

Page 2

- Assist in the formulation and presentation of budgets for controlling funds to implement program objectives of a department.
- Assist in development and installation of new accounting systems, or of modifications to existing systems; identify requirements and ensure that professional accounting standards are maintained.
- Aid in defining detail requirements to obtain desired automated payroll system output for new applications.
- May perform complex and technical duties in assisting customers by telephone and in person concerning billings, collections, delinquent accounts, procedures and regulations.
- Perform other job functions as assigned.
- May be on 24-hour call

SUPERVISION RECEIVED AND EXERCISED: Employees are expected to function with considerable independence and have latitude in exercising independent judgment, within the framework of existing accounting policies and procedures. Work is performed under general supervision by an administrative superior and is reviewed through periodic conferences, reports and evaluation of adequacy and accuracy of resulting records, reports and functions. This position may provide guidance, oversight and lead other employees.

WORK ENVIRONMENT: The work environment characteristics described herein are representative of those an employee encounters while performing the essential functions of the position. The Accounting Assistant 3-Maintenance typically works in an office environment on a daily basis; positions in the Sheriff's Department may work within the confined area of a maximum security correctional facility and work may involve exposure to the inmate population. Incumbents may be required to work at a desk or other work station for prolonged periods; constant attention to detail is required. Ability to concentrate with frequent interruptions and general office noise is required.

PHYSICAL REQUIREMENTS: The physical demands described herein are representative of those that must be met by an employee to successfully perform the essential functions. Physical activities required are finger dexterity necessary to operate equipment used in the position, talking, seeing and hearing. Walking, sitting, bending/stooping, pushing/pulling and minimal unassisted lifting associated with the job duties is required.

KNOWLEDGE, SKILLS AND ABILITIES:

Knowledge of:

- Principles and practices of double-entry bookkeeping, and of accounting principles, theories, concepts, and terms.
- Practices and principles of customer service to include telephone techniques and etiquette.
- Methods and techniques of governmental accounting, including knowledge of the Washington State BARS system.
- General office practices, procedures and principles and practices relating to electronic data processing and system design.
- Federal, state, and local laws, regulations, and guidelines pertaining to the processing of personnel and payroll related work.

Skill in:

- The use of systems software, spreadsheet software and computers at the proficient level.
