

Pierce County District Court

Court Resource Center

CRC

Handbook

Updated October 2019

Welcome,

The Pierce County District Court Resource Center was created to provide justice-involved individuals and community members access to supportive services and programs in one centralized location. By coordinating services in one location, individuals will receive immediate connections to service providers.

Anyone who is in need of services, regardless of justice system involvement, is welcome to utilize the services at the Resource Center.

Pierce County District Court (PCDC) recognizes that justice involved individuals may need a variety of supportive services such as substance use/mental health treatment, housing, transportation and employment in order to comply with court conditions and be productive members of the community. Research suggests that justice-involved individuals are at a high risk for re-arrest and/or antisocial behaviors and activities during the first month of release from confinement and/or sentencing. With multiple needs come multiple avenues an individual will have to navigate to access these services and doing so can be a daunting and frustrating journey. In 2018, PCDC set about making this journey a little less frustrating through the creation of the Pierce County District Court Resource Center (CRC).

The CRC partners with numerous professional service providers within the community who are available on a regular basis. This allows for collaborative problem-solving to ensure a comprehensive service plan for individuals. These partners include DSHS (Public Assistance, ID Vouchers, Social Security Navigation), Community Health Care (Medicaid/Medicare Insurance Navigation), LASA (Homelessness Prevention), Pioneer Human Services (Substance Use Disorder Assessments, Clean and Sober Housing, Employment Services), WorkSource (Employment Training and Employment Events) and the Just Threads Clothing Bank.

Thank you so much for your interest in the CRC. We look forward to serving you.

Thank you,

Dominique Hardeman
Manager of Probation Division
